VOLUNTEER POLICY

(As adopted by the Vashon Aquatic Club Board of Directors on October 1, 2009)

Volunteer Policy:

Vashon Seals Swim Team succeeds because of the commitment and help of its parent volunteers.

VSST families share in the responsibilities that are associated with our swim team, whether it is sitting on the board, helping with fundraising, or assisting in practice times, swim meets and general club operations.

It is the club's policy to require a minimum participation of 6 hours per session, and the Volunteer Co-ordinator will contact each family to fully explain the available opportunities.
